

PROGRAM

OCTOBER 2ND

1.30 - 2.00 PM OPENING
2.00 - 2.10 PM INTRODUCTION

PROPLAST and POLYMERIS

2.10 - 3.50 PM SESSION 1

- 2.10 PM** · Stellantis MAT4CAR2030 project towards Carbon Net Zero future cars Vito Lambertini, **CRF**
- 2.30 PM** · R&D advancement on biomaterials for textile applications Daniele Spinelli, **NTT**
- 2.50 PM** · To be announced
- 3.10 PM** · Developing a new class of wood-polymer compounds for the circular economy in the toys sector Marco Spaggiari, **SUPSI**
- 3.30 PM** · Industrial applications with Biocompounds Giulio Ghisolfi, **Idealpack**

3.50 - 4.10 PM COFFEE BREAK

4.10 - 6.20 PM SESSION 2

- 4.10 PM** · Recycling composites material and producing new secondary raw material Ludovic Moulin, **Alpha Recyclage Composites**
- 4.30 PM** · To be announced David Fayolle, **Lab Plastics**
- 4.50 PM** · Roundtable BIO-MATTERS

6.20 PM END OF THE DAY
8.00 PM DINNER

OCTOBER 3RD

8.50 - 9.20 AM OPENING

9.20 - 11.00 AM SESSION 3

- 9.20 AM** · To be announced
- 9.40 AM** · 3DFLAXTRONICS : flax organosheet brings smart sustainable composite materials Claude Lambro, **MCVE Technologie**
- 10.00 AM** · A Fluorine-free, environmentally friendly nanocoating for surface engineering Lizeth Betancourt, **SUPSI**
- 10.20 AM** · Enhancing Barrier Properties of Bio-Sourced Materials Through Multi-Nanolayer Co-Extrusion Process Marion Brosset, **CT-IPC**
- 10.40 AM** · High-performance & eco-friendly coatings for flexible packaging industry Alessandra Colombo, **SAES Getter**

11.00 - 11.20 AM COFFEE BREAK

11.20 - 1:00 PM SESSION 4

- 11.20 AM** · Environmental Assessment of three Different Recycled Raw Materials for the Development of Thermoplastic Materials for Technical Applications Davide Lotti, **LATI**
- 11.40 AM** · Setting new standards for circularity with injection moulding Matteo Terragni, **ENGEL Italia**
- 12.00 AM** · To be announced **Puntozero3D**
- 12.20 AM** · To be announced Stefania Scotuzzi, **Covestro**
- 12.40 AM** · To be announced

1.00 - 2.00 PM LUNCH

2.00 - 2.10 PM EVENT SUMMARY AND CONCLUSIONS
2.10 - 4.00 PM B2B AND PROPLAST VISIT
